## Portugal News

Terrapalha started in 2008 for natural architecture.  
It has a blog in Portuguese to help spread the word.

**We are the most western  
Strawbale Builders from  
Continetal Europe! 😊**

**Located near Lisbon.**

# terrapalha & compalha

## Portugal News

We offer:

- Architectural planning
- Licensing
- Workshops on SBB
- Lectures on SBB
- Ephemeral Art

But specially we are fully in Love with strawbale building helping making it happen in Portugal!

## Portugal News

Compalha Association since 2014 for  
Portuguese Networking and SB development.

**[www.compalha.pt](http://www.compalha.pt)**

- Started during the participation of Catarina in Leonardo da Vinci STEP project to develop a professional SB Training Course.
- Currently is involved in ERASMUS+ Project together with Estonia and Spain to learn Tadelakt technique and develop a e-book for Tadelakt DiY.
- Compalha is organizing lectures, exhibitions and happenings to spread strawbale and natural ecological building.
